The prices for the game are as follows, Grand Stand 55 cts, Bleachers 40 cts and passes 25 cts, including taxes.

If Maxwell Manning is playing with you we would like for you to feature him on the plac-cards.

The Lights are up and the fence have been fixed and everything in reference to the park is in readiness for the opening base ball game between the Newark Eagles and the Johnson Stars of Atlantic City is O.K.

And as soon as you send the plac-cards and passes we will put them out and will give the game plenty of publicity in the local and weekly newspapers.

From the sentiments and the talk of the people the park should be packed.

And if our arrangements stand your approval kindly send us your contract.

Trusting that this letter is clear to you and all concerned.

Hoping to get and early reply from you.

I remain respectfully yours.
